

UPDATE YOUR WILL WEEK 2024

4TH - 10TH MARCH

We're proud to support
Update Your Will Week 2024

Update Your Will Week is an annual campaign hosted by [The Association of Lifetime Lawyers](#) from 4 to 10 March.

It aims to raise awareness of the risks of not having an up-to-date will and encourages people to update their will to ensure their wishes are fulfilled when they die.

Why is it important to have an up-to-date will?

Having an up-to-date, well-drafted will is crucial to ensure your wishes are carried out in the way you'd like when you die. Knowing you've chosen what you want to happen can also help ease distress for loved ones left behind and minimise potential disputes.

If you die without a will, any assets that belonged to you must be distributed according to the strict [rules of intestacy](#) – which may not be how you expect or would want your estate to be shared.

It's never too early to make your will, as long as you're over the age of 18 years old.

How often should I update my will?

We recommend that you review and update your will every five years or when a major change occurs that impacts you or your loved ones. For example, a marriage, divorce, a new birth, or a death in your family.

What should I do if I want to make changes to an existing will or create a new will?
