

# Lex Mundi Global Anti-Corruption Compliance Guide

April 2019

## Implementing a company-wide anti-corruption compliance program? Advising management on a proposed overseas investment?

Legal teams must understand how relevant anti-corruption laws apply to and inform the way in which they conduct their business.

We are proud to have contributed to the Lex Mundi Global Anti-Corruption Compliance Guide summarizing regulatory regimes in 80 jurisdictions across the Americas, APAC and in EMEA.

Access this valuable resource, compiled by Lex Mundi member firms from around the world, by clicking the below link.
